## The Wild Trout Trust Wishes To Thank

### The Donors Of Lots For Their Very Kind Support And Generosity

**Auction** We invite you to participate in our 2010 Internet & Postal Fundraising Auction. The auction will be hosted on eBay charity pages ([www.eBay.co.uk](http://www.eBay.co.uk)). We suggest you visit the WTT website ([www.wildtrout.org](http://www.wildtrout.org)) where you can view the catalogue and click the link to eBay (the link will be active when the auction goes live on eBay). The Lots will be on eBay.co.uk from 16 March to the evening of 25 March 2010 (the exact closing time of each bid will appear next to the Lot description on [www.eBay.co.uk](http://www.eBay.co.uk)). The highest bidder for each Lot at the end of the auction on 25 March 2010 wins that Lot.

**eBay Bids** Bidding on eBay.co.uk works similarly to leaving “commission bids” at a live auction. You place a bid for the most you are willing to pay for a Lot and, if you are the winning bidder, you will pay the amount necessary to beat the next highest bid. For instance, if you bid £100 for a Lot and the next highest bidder bids £50, you will only have to pay £55 for the Lot, even though you placed a bid for £100. For this reason, it is not necessary to closely monitor or repeatedly bid on an auction on eBay.co.uk once you have made your bid. If you place a bid and are later outbid by another bidder, eBay.co.uk will notify you by email, so that you may consider whether you would like to increase your bid.

**Postal Bids** If you do not have access to the internet we can accept sealed postal bids which we will place on eBay on your behalf. Your bid then works in exactly the same way as described above. Postal bids for identical amounts will be placed in the order received. Postal bids must be received in the WTT office by 23 March latest: WTT, PO Box 120, Waterlooville PO8 0WZ.

**Successful Bidders** If you win the auction for a Lot, the WTT will contact you afterwards to arrange for you to pay the WTT the winning bid price by cheque or credit card. The WTT will also put you in contact with the donor of the Lot so that you can arrange the details etc. eBay.co.uk does not charge winning bidders any fees – you will pay only the exact amount of your winning bid.

**Second-Chance Offers** If we do make a second chance offer by email it will only be sent from [auction2010@wildtrout.org](mailto:auction2010@wildtrout.org) or [office@wildtrout.org](mailto:office@wildtrout.org). If you receive ANY contact from a different email address claiming to be from The Wild Trout Trust, it is fraudulent.

**eBay** You can view the current bids for each Lot, or browse other auctions, without registering with eBay.co.uk. If you would like to bid directly on eBay.co.uk however, you will need to register with eBay.co.uk and obtain a User ID and choose a password. The registration process is quite simple, and you will not be asked for any bank details or financial information. For eBay.co.uk's new user registration page go to [www.eBay.co.uk](http://www.eBay.co.uk) and click on 'Register'. For its introduction for new users go to [www.eBay.co.uk](http://www.eBay.co.uk) and click on 'eBay explained'. Once you are registered and have a User ID, you may place bids on any of the Lots being auctioned on eBay.co.uk.

**Note** Please be reminded that offers should reflect the charitable nature of this auction – please bid generously and do not seek to acquire bargains! Lots may not be re-sold or transferred.

**For Help or Further Information, Tel: 023 9257 0985 or Email: [office@wildtrout.org](mailto:office@wildtrout.org)**

#### Conditions of Sale

1. The auction will be subject to the terms and conditions of eBay.co.uk.
2. The WTT has the right to refuse any bid. If the winning bid is invalid or is not paid, the next highest bid shall be the winning bid.
3. The descriptions of the Lots are based upon information provided by the donors of the Lots and have not been verified by the WTT, and should not be relied upon as statements of definitive fact. Neither the WTT nor the relevant donor can be held responsible for errors of description or for genuineness or authenticity of any Lot, or for any fault or defect in it.
5. If the donor of a Lot does not make available to the winning bidder the relevant fishing or shooting substantially as described, and alternative arrangements are not made, the WTT shall refund the purchase price to the winning bidder, but shall have no liability to him or her for any consequential costs, loss or damages, whether associated with the cancellation of travel plans or otherwise.
6. Bidders bidding by post authorise the WTT to place a bid on eBay.co.uk as agent on their behalf, and shall be bound as if they had placed the bid personally.
7. Payment should be made by credit card or cheque payable to The Wild Trout Trust within 7 days of notice of a winning bid. If full payment has not been received within two weeks of notification, the sale may be rescinded by the WTT without notice. The rights to a Lot purchased shall not pass until the WTT has received payment in full.
8. All Lots in the WTT 2010 Auction must be taken during the 2010 season unless otherwise stated and are taken at one's own risk.
9. These conditions of sale are subject to English law, and the WTT and each bidder submit to the exclusive jurisdiction of the English Courts.
