Please complete this form for each instructor within the branch. It is important that all instructors are registered with the FDG as any accreditation organization will require a complete audit trail of every student taking any of the three standards. This will include the identification of instructors at any stage of training. It is important to remember that if any instructor within the branch is not registered with the FDG (the completion of this original form) then any student work will, in all probability, be rejected. When completed please copy and send the original to the General Secretary, a receipt will be sent to the individual (committee member) asterisked below.
